EASY TO USE
Designed for everyone.

EASY TO MOVE
Mobile and versatile.

EASY TO MAINTAIN
Hygienic, secure and low maintenance.

PATENT NO: AU-202612032

MOBILE RECYCLING STATIONS

We propose the placement of Mobile Recycling Stations on council-managed grounds to provide a practical, visible and effective solution for the collection of eligible drink containers.

These stations align with the Container Deposit Scheme (CDS), making it easy for the community to recycle, receive refunds and help create cleaner, more sustainable environments.

IDEAL LOCATIONS INCLUDE:

Caravan & Tourist Parks
Support sustainable tourism and visitors.

Rest Stops & Picnic Areas
Capture recyclables from travellers.

Libraries & Community Centres
Provide accessible drop-off points.

Sporting Fields & Public Parks
Perfect for events and daily use.

Schools & Kindergartens
Encourage recycling within education communities.

Railway Stations
Capture recyclables from commuters.

BENEFITS FOR COUNCIL

REDUCED LANDFILL COSTS
Diverts recyclable containers from landfill, potentially lowering waste management expenses.

SUPPORT SUSTAINABILITY GOALS
Demonstrates a strong commitment to environmental and waste reduction targets.

SUPPORTS LOCAL INNOVATION
An Australian-made, patented solution developed locally — supporting local enterprise.

SAFER FOR VOLUNTEERS & STAFF
Designed to make recycling faster, cleaner, more hygienic and safer for all users.

COMMUNITY IMPACT

By providing convenient recycling points, councils can empower communities to do the right thing, raise awareness, and keep valuable materials in the circular economy.

SUPPORTS THE
10c REFUND

A PROVEN SOLUTION

Successfully trialled by community organisations at major local events with overwhelmingly positive feedback.

A simple, effective way to create cleaner spaces and stronger communities.

LET'S WORK TOGETHER FOR A CLEANER, GREENER FUTURE

We welcome the opportunity to work with your council to implement Mobile Recycling Stations that deliver real environmental and community benefits.
